WISCONSIN CENTER DISTRICT GUEST PARKING GUIDELINES

Parking for Wisconsin Center District guests is available at the Hilton Hotel Parking Garage, located at 631 N. 5th Street, Milwaukee. Please park on the third floor or above.

For indoor access to the Wisconsin Center:

- Take the elevator to the second floor. Turn right toward the Hilton and follow the hallway to the double doors. Turn right then a quick left. If you reach the Hilton hotel lobby, you've gone too far.
- The escalators up to the Wisconsin Center skywalk will be on your left. Take the escalators to the third floor, where you'll see the doors to the Wisconsin Center skywalk.
- Regardless of whether the skywalk doors are open, use the house phone next to the doors to dial the WCD Public Safety department, who will alert your WCD contact that you've arrived.
- Please wait for your WCD contact at the skywalk; they will escort you into and out of the building.

For outdoor access to the Wisconsin Center:

- Take the elevator to the second floor.
- Proceed straight and enter back into the parking garage. Turn right and walk up (west).
- Exit the garage. You are now on Sixth Street. Turn right (north) and proceed to 750 N. 6th Street, the WCD employee entrance. Buzz for Public Safety access.
