Dear Clients and Guests,

Welcome back to events at the [Wisconsin Center](#), [Miller High Life Theatre](#), and [UW-Milwaukee Panther Arena](#), all owned and operated by the [Wisconsin Center District \(WCD\)](#). Our objective is always to provide staff and visitors with a safe and healthy environment where we can carry out our values: Be Bold. Be Proud. Be Experience Obsessed.

The default WCD masking and COVID-19 vaccination policy for guests is as follows:

WCD shall not require masks or proof of vaccination for guests who are fully vaccinated. We request that non-vaccinated guests wear a mask, and we respect the choice of individuals who prefer to mask even if vaccinated.

PLEASE NOTE: Due to the variety of events in the WCD venues, the masking and vaccination policy on an individual event basis may vary. Please check the specific event webpage or the venue's social media channels for COVID-19 requirements for a particular event.

All WCD staff are required to be masked and, effective November 1, 2021, all WCD staff as well as major third-party vendors are required to show proof of full vaccination.

In fall of 2020, all WCD venues received [Global Biorisk Advisory Council \(GBAC\) Star-Accreditation](#) status from ISSA, the global standard for stringent cleaning protocols. As the cleaning industry's only outbreak prevention, response and recovery accreditation, GBAC STAR™ helps organizations establish protocols and procedures, offers expert-led training and assesses a facility's readiness for biorisk situations. This ongoing program verifies that WCD and each of its facilities implements best practices to prepare for, respond to and recover from outbreaks and infectious disease.

We are excited and proud to share with you these great changes in how we are now conducting business. I am proud of the work we have done to make sure you and your guests stay safe and healthy while in Milwaukee, and I look forward to welcoming you soon.

Marty Brooks

President and CEO
Wisconsin Center District
