## Message to staff following Donald J. Trump Keep America Great Rally on Tuesday, January 14, 2020

Last night, at a max capacity of 11,500, the UW-Milwaukee Panther Arena shined.

The opportunity for our venue to host the President of the United States in a speech broadcast to hundreds of millions of international viewers is a rare one. And we did it very, very well.

Congratulations to everyone involved in making the evening a success. I would like to recognize the extra efforts of event managers Courtney Covey and Casey Trotter, Jeremie Ott, Bob Seefeld, Ellen Taylor, Leslie Peckham, members of the trades team including Frank Bajorek, Brandon Anderson, Len Smith, Pat McGurk, and Brian Kretschmann, Liz Unruh, Tom Nicholson and the set up and cleaning teams, and Levy's team including Josh Pietrykowski, Neal Michals, and Michael Ransom. I would also like to thank the Milwaukee Police Department for their presence and active participation before, during, and after the event.

It hasn't even been a year since I first asked you to Be Bold. Be Proud. Be Experience Obsessed. I was very proud to see those values guide your decisions last night for anyone in or around the building, regardless of their politics (or yours).

Congratulations on a job well done.
