Dear Clients and Guests,

Welcome back to events at the [Wisconsin Center](#), [Miller High Life Theatre](#), and [UW-Milwaukee Panther Arena](#), all owned and operated by the [Wisconsin Center District](#) (WCD). Our objective is always to provide staff and visitors with a safe and healthy environment where we can carry out our values: Be Bold. Be Proud. Be Experience Obsessed.

On March 1, 2022, the City of Milwaukee Common Council's most recent mask ordinance expired. The venues of the WCD are now mask-optional. This means that staff and guests are permitted to go unmasked, and we respect the choice if guests and staff prefer to remain masked. WCD will continue to defer to clients on their masking preferences, and staff will act accordingly.

Proof of full COVID-19 vaccination is a requirement of employment for WCD staff.

All WCD venues received [Global Biorisk Advisory Council \(GBAC\) Star-Accreditation](#) status from ISSA, the global standard for stringent cleaning protocols. As the cleaning industry's only outbreak prevention, response and recovery accreditation, GBAC STAR™ helps organizations establish protocols and procedures, offers expert-led training and assesses a facility's readiness for biorisk situations. This ongoing program verifies that WCD and each of its facilities implements best practices to prepare for, respond to and recover from outbreaks and infectious disease.

I am proud of the work we have done to make sure you and your guests stay safe and healthy while in Milwaukee, and I look forward to welcoming you soon.
